MIDDLE MAN: Reese Graham, 14, is the first Rangers player to complete a referees course

PRESENTATIONS: fun and games to mark Shinfield club's anniversary

Rangers' 40 years of football

LIFE begins at 40 and Shinfield Rangers proved it as they celebrated their anniversary on Sunday.

The club's annual presentation day was bigger and better this year to mark 40 years of football.

The children's football club based at Millworth Lane promotes the concept of discipline, teamwork and learning without a "win at all costs" philosophy.

At the fun day, football freestyler Matt Minnis showed

off his football skills and Queensley, the Royals' mascot, was also there to entertain the children.

Kerry Davey, who helped to organise the day, said: "It was lovely, we has a nice day."

Two teams from rivals Spencers Wood went along to play the boys and girls from the Rangers on the day.

And there were bouncy castles, face painting and other attractions to entertain the children. During the morning children received their medals and trophies for their efforts through the season.
